As you may notice, the Coaches/Coxswain's meeting is at 7:00 rather than at 7:45 as we originally thought so it is essential that the team is at BHS ready to get on the buses no later than 5:45 Sunday morning.

The directions to Lake Merced can be found on the BHS Crew Website by going to the "Races" page and clicking on the April 23 race.

There will be four or five teams at this race so parking will be tighter than at the other Lake Merced races so it would be a good idea to pack a lunch for your family and come early. See you Sunday.
